Alam Maritim Secures Petronas Charter Vessels Contract

KUALA LUMPUR: Alam Maritim Resources Bhd has received a letter of award from Petronas Carigali Sdn Bhd to provide spot charter marine vessels.

It said on Thursday the two-year contract, which started on Jan 29, 2015, has an extension option of one year.

It was awarded seven out of the eight packages offered by Petronas Carigali under the umbrella contract where it would provide anchor handling tug / supply vessel of 60 tonnes, 120 tonnes and 150 tonnes.

It would provide a straight supply vessel, fast crew boat, workboat, work barge, general purpose/utility vessel and platform supply vessel.

“The contract shall enable Alam Maritim to provide the vessels, crew and associated equipment for continuous 24-hour operations.

“The total value of the contract will depend on the actual number of days the vessels are on-hire based on instructions from Petronas Carigali from time to time during the contract period,” it said.
