## Alam Maritime bags RM53.5m Petronas deal

**KUALA LUMPUR:** Petroliam Nasional Bhd (Petronas) awarded Alam Maritim Resources Bhd a RM53.5 million sub-contract to carry out final positioning and mooring system hook-up works for a floating liquefied natural gas project. In its filing to the stock exchange yesterday, Alam Maritim said the contract will include flexible riser installation, pre-commissioning and commissioning of pipeline, pipe-line ends terminal and riser for the Petronas Floating LNG-1 project. The duration for the subcontract is from June 15 until April 30 next year.
