Alam Maritim unit wins RM10m deal

KUALA LUMPUR: Alam Maritim said its unit, Alam Hidro (M) Sdn Bhd, has won a RM10 million contract for inshore repair and maintenance project in Kedah from a reputable main contractor. In a filing to Bursa Malaysia, the company said the contract would start on February 15 and was expected to be completed by March 31. "The contract is expected to contribute positively to the earnings and net tangible assets of Alam for the financial year ending December 31 2015. Notwithstanding this, the contract is not expected to have any material effects on the share capital and shareholding structure of Alam," it said.
